Under this Framework, the Reserve Bank would enter into bilateral swap agreements with SAARC central banks, who want to avail of the swap facility.

The SAARC Currency Swap Facility came into operation on November 15, 2012 with an objective to provide a backstop line of funding for short term foreign exchange liquidity

“Under the Framework for 2024-27, a separate INR Swap Window has been introduced with various concessions for swap support in Indian Rupee,” the RBI said in a circular.

“The total corpus of the Rupee support is ₹250 billion. The RBI will continue to offer swap arrangement in US\$ and Euro under a separate US Dollar/ Euro Swap Window with an overall corpus of US\$ 2 billion,” it added.

The Currency Swap Facility will be available to all SAARC member countries, subject to their signing the bilateral swap agreements.
